Prague transport system www.dpp.cz
METRO runs from o5.oo & 00.oo. 24 Kč ticket is good for half hour. 32 Kč is one & half hour . Do not travel the metro without a ticket. BLACK RIDER FINE is 700 Kč..
Best value is a day pass 110,-Kč or 3 day at 310,- Kč.
Mobile phone's-send text message: DPT24 , DPT32 , DPT110 or DPT310.
.. you get SMS ticket .. show this message if you are stopped by cops.. TRAMS: go from o4.3o-oo.15. Then it's NIGHT TRAMS... numbered 50 & up. Main crossing point is at Lazarska stop (by Národní Třída).
How to use the tram list? One stop name is shaded GREY that's where you are, & stops under that are the further destinations.
Everything runs ON time!! enjoy Praha & mind yourselves, town is full of lowlife pick pocket, thieves . . .)
Some useful transport web's www.vlak.cz, www.jizdniraady.cz, www.idos.cz
This is not a violent town & one can walk around most anywhere day or night in safety... however getting pick-pocketed on the tram that will definitely happen! if you don't take care ! ! PO2OR/WARNING ! ! !
