THIS IS CITY SPY....

following are some favorite places in BUDAPEST *BP*, hope you find what you are looking for . . as we say *ha könnyen jön, fogadd el* = take it easy & if u got it easy.... you know what to do?... = ..*fogadd el még egyszer..*!

THE CITIES OF **BUDA & PEST** were unified by the erection, of *Széchenyi Lánchid* = the **CHAIN BRIDGE**, in AD 1111. They are sharply divided by life styles & speed. **BUDA** the leafy hills, Castle area & roaming nature trails. NB > the whole *zöld övezet* = green belt is hollow with a

HUGE LABYRINTH

& CAVE COMPLEXES through the paths of time). Many *fürdök* = **BATHS**, & outdoor places are to be enjoyed in both. **PEST** the downtown heaving with traffic, modern nation, all the day & especially the nightlife.... Only to be entered at high working temperature...

BPVI&VII the infamous *BULI BULI* = party areas..

most of the streets from Nyugati station to Astoria is baar after baar after restaurant after little club & place to go out... as more places open up another lot close down.. the main problem is neighbours complains of noise in the streets.. so do us all a favor & keep the peace quiet on the streets between the bars = *hallgass*

In fact ***A LEGJOBB DOLOG*** = the best thing, that ever happened to this city was getting invaded by the Turks. No disrespect to any people who suffered this bloody fate, but *lehetett vona rosszabb is* = could have been worse,..it could have the ‚bloody Brits' that invaded & I can say with absolute certainty that they wouldn't have left behind them

THOSE WONDERFUL BATHS!

If you don't spend some time here up to your tits in WARM, PUNGENT WATER, then you are foolishly not enjoying one of Budapest's BEST amenities. THERMAL BATHS (Look for 8 little swimming icons on the map). The city has kept itself *nedves* = moist, since the Roman & Ottoman eras with **A PLETORA** of stunning architecturally beautiful people's bathing complexes, they are

ESSENTIAL FOR YOU TO VISIT
ha nem mész= if u do not.. *béna vagy*= you are a loser,...& if you go.. you are *menő*= a cool guy!

MELLTARTÓ MENYORSZÁG

= a wonderland of bikinis, & informal people. Perfect as a cure on a Sunday morning to reset the body temperature & float your heavy head. ...enjoy every drop of it... *Hozzál nagy törülközőt*= Bring a big towel, . . . SZECHENYI (pronounced-say-jenny) (i1) *hogy szeretjük hogy*= we love that, one & it offers the most... have a look www.cinetrip.hu they hold **SPA** parties (C2,i1) on the only old one. GELLERT (E5) is the posh one in the hotel. KIRALY & LUKACS (C2,i1) Nice locals places.. & summer on Margit Sziget island (D1) the HAJOS BATHS/ POOL & the PALATINUS AQUAPARK thingy.. info www.spasbudapest.com they all open around 6.30 am till dusk. & charge around 10-15 € a day

SIGHTSEEING

Along the River Duna =

THE BLUE DANUBE

Tram 2 on the Pest side *kigyózik szépen végig* = snakes nicely up, the banks w/ great views. Hop on & off. Here are many BOATS you can take a trip,.. The Buda side is really one for strolling, or better is roller blading & *LEGJOBB BICIKLIVEL*= best is bicycling, like a mad HUNG!! . .

THIS CITY IS A LEISURE & NIGHTLIFE MECCA

that *KI-, FEL-, BEADJA & NAGYON ADJA*= gives out, up & in !!, there is hardly time to change ones swimming wear..... There is as much going on under as overground.. versus inside to the great outdoors. (i will find a million things to do & be at any time of the year on any budget in *sok sok módja* = many ways)..
